

# somerton<sup>®</sup> acrylic

Premium acrylic for lateral / folding arm, fixed frame and canopy style awnings

100% blockout of UV rays

Environmentally Friendly

## somerton<sup>®</sup> acrylic

When the need to balance blockout has to be managed against the desire for colour and view. somerton<sup>®</sup> acrylic offers a premium sun protection fabric suitable for exterior folding arms awnings, fixed frame and canopy style awnings sunblind awnings as well as outdoor cushions, furnishings and marine upholstery. somerton<sup>®</sup> acrylic provides the perfect balance in translucency, colour and view.

somerton<sup>®</sup> acrylic is a natural compliment to both the somerton<sup>®</sup> canvas and somerton<sup>®</sup> view ranges of premium exterior Sun Protection fabrics. somerton<sup>®</sup> acrylic provides for identical shading on the front and back to provide a visually consistent finish; same pattern or colour on both sides.
